

Reopening: Mandatory Safety Standards for Workplaces

These new standards will apply universally to all workplaces that are open in Phase 1, and are designed to reduce the risk of COVID-19 transmission to employees and customers.

Social Distancing

- All persons, including employees, customers, and vendors should remain at least six feet apart to the greatest extent possible, both inside and outside workplaces
- Establish protocols to ensure that employees can practice adequate social distancing
- Provide signage for safe social distancing
- Require face coverings or masks for all employees

Hygiene Protocols

- Provide hand washing capabilities throughout the workplace
- Ensure frequent hand washing by employees and adequate supplies to do so
- Provide regular sanitization of high touch areas, such as workstations, equipment, screens, doorknobs, restrooms throughout work site

Staffing & Operations

- Provide training for employees regarding the social distancing and hygiene protocols
- Employees who are displaying COVID19-like symptoms do not report to work
- Establish a plan for employees getting ill from Covid-19 at work, and a return-to-work plan

Cleaning & Disinfecting

- Establish and maintain cleaning protocols specific to the business
- When an active employee is diagnosed with COVID19, cleaning and disinfecting must be performed
- Disinfection of all common surfaces must take place at intervals appropriate to said workplace
