

StoryWalk®

Read a story and take a walk at the same time!

Take a StoryWalk® through Stoneham. This is a fun activity that allows you to spend time with your family and build your brain and muscles at the same time. Follow the route as you read the book displays and participate in the activity suggestions.

The StoryWalk® in Stoneham will feature the book “It’s Summer” by Linda Glaser and illustrated by Susan Swan. In this story, you’ll learn about animal life, plant life, weather and summer appropriate clothing. You’ll also be able to discuss what summer means to you.

How to Participate

There are 12 stops, one for each page of the book. Each stop will have a window display open to the correct page for you to read out loud.

It is free to participate.
