### GETTING SET UP

**Vehicular entry/exit.** Only the following streets can be used to unload your materials: Main Street, Church Street, Emerson Street and/or Common Street. You may access these streets from Central Street (a one way street) however there will be no stopping allowed at any point in the morning. Bump outs in front of the Town Hall portion of the street will prevent vendors stopping anywhere on Central Street to unload.

**No vehicular entry will be allowed before 8AM or after 10:30AM.** Vehicles should be moved out of the Town Common area no later than 10:30AM. Please note: police will ticket and/or tow your vehicle after 10:30AM.

**Drop off your materials at the curb area.** Move your vehicle to a legal parking space outside of the Town Day area – Return to set up your space. There is **NO PARKING** in the Church Street parking spaces, the lot by Honey Dew Donuts or the Town Hall at any time.

**Information about your space.** Your space is 10'wide X 10' deep. Please confine your activity accordingly. Those assigned spaces on Central Street, must confine their activity to the sidewalk area only. Tents that exceed this area may not be erected and will be subject to removal by committee members. If you are using a personal tent/canopy, it must be self-standing and stakes and/or poles may not be driven into the ground. All tents must be tied down on all corners with adequate weights such as sandbags or water jugs. If your tent/canopy does not meet these requirements, you will not be allowed to use it. Tents, tables and chairs rented through the Chamber will be delivered and set up by 9:00AM on the day of the event.

### WHEN YOU LEAVE

**Trash disposal.** Please bring your own trash bags and clean up your space at the end of the day.

**Vehicular entry/exit for leaving.** Vehicles will not be allowed onto Central Street before 4PM, if you leave prior to this time, you must carry out your items. After 4PM, please observe the same protocol as when you arrived. However, after 4PM, you may use the parking spaces around the Town Common as they become available. Please note there is no stopping to load on Central unless you are in a parking space, leaving plenty of access for vehicles to travel around you.

If your set up includes a hot surface such as a grill, fryer or the like, please shut it down in time to allow you to move it no later than 4:30PM to allow for street sweeping and clean up.

**Tent, chair and table rentals.** If you have rented tables, chairs, or tents from us, you will find them in your space when you arrive or shortly thereafter. At 4 PM, clear and clean your tables and chairs, collapse the tables and chairs and leave them at your space. The rental company will pick them up by 4:30 PM. All tables, tents and chairs must be accounted for and any chairs/tables not returned will be subject to a replacement fee set by the rental company. If you rented a tent from us, please leave it standing at your space and the tent rental company will pick it up at the close of Town Day.
