health + wellness fair

Since 2010, the Stoneham Chamber of Commerce, in partnership with MelroseWakefield Hospital and Winchester Hospital, has offered a Health & Wellness Fair to connect local residents to resources that will help them move a little more, stress a little less and eat a little better. The Health & Wellness Fair regularly attracts more than 1,000 attendees annually and features healthy lifestyle information, community-oriented programming, broad exhibitor presence, interactive and complimentary health screenings, demonstrations, healthy food presentations, giveaways, prize drawings, entertainment and more. Register as an exhibitor and meet your next potential customers!

If your business is focused on mental health, physical wellness, fitness, healthy lifestyle choices, stress management, physical therapy, coaching, or financial/ retirement health, this is a great opportunity for you to share your products and services.
