

Earn extra income with your business

We're looking for great neighborhood businesses like yours to become Amazon Hub Partners.

When you become a Partner, Amazon will deliver packages to your business every day and you and your staff will deliver those packages to customers' homes within your community.

How it works

Amazon will deliver 20-50 packages to your business daily

You and your staff will deliver packages within a few blocks of your business during downtime or with your existing deliveries

Stay focused on your business and earn extra money

Get started

Scan the QR code or visit amazon.com/hubdelivery to talk to an Amazon representative and learn more about the program and the income potential.

“Amazon Hub Delivery is a great opportunity to incorporate an additional revenue stream into my current business without any interruption. It has been a pleasant experience and Amazon’s support system has made it an incredibly smooth transition.”

—Current Amazon Hub Partner, Muscle Maker Grill

The benefits

Earn extra income—get paid for every package you deliver

Give your business more visibility in your community

Access to Amazon technology and expertise

We make it easy

- No delivery experience required
- Deliver close to your business
- No startup costs
- An app that helps guide you through deliveries
