STONEHAM CHAMBER OF COMMERCE

# SUMMER CONCERT SERIES

## Overview

Since 2003, the Stoneham Chamber of Commerce has hosted the annual Summer Concert Series on the Town Common. This popular community program offers weekly concerts on Thursday nights during the summer and is solely funded by the generosity of Chamber of Commerce members. This is a great opportunity to promote your business, as well as support the great need for free, family-oriented music programs for area residents.

In exchange for your sponsorship, the Stoneham Chamber is committed to providing the highest levels of recognition for the duration of the Series that runs the entire summer. We hope that you find this program worthy of your support.
